Email 1: Extension Request

Subject: Request for Assignment Deadline Extension of VITyarthi project

Dear VITyarthi team,

I hope you are doing well. I am writing to request an extension for the assignment submission due to unexpected circumstances. I have been unwell for the past few days, which has affected my ability to complete the work on time.

I kindly request you to grant me an extension of a few days so that I can submit the assignment properly. I assure you that I will complete it at the earliest.

Thank you for your understanding.

Yours sincerely,

Srishay Kumar Maji
